FINISHING:

Sew shoulder seams. Left front edge: Starting at middle back neck, pick up ca 132 (136) 138 sts with circular needle along left front edge. Knit 1 row. All sizes: Turn and knit down to first V-neck dec. Turn and slip 1st 3 sts, knit rest of row. Continue to knit in garter st, slipping the 1st 2 sts at V-neck edge 8 times. At same time, at row 8, inc. 3 sts evenly across row. At row 14, inc. 3 more sts evenly across row. When collar is 12 cm or desired width, work a purl bind off on next right side row over all sts. Right front edge: Place 3 evenly spaced markers (ca 5 cm apart) on right front with the highest at the first V-neck dec. Pick up 132 (136) 138 sts with circular needle starting at the bottom of the front and up to the middle back neck. Turn and knit back to first V-neck dec, turn and work right side collar same as for left side collar. When piece is same length as left side collar, knit to middle of back neck, turn and knit to first marker and bind off one st, at each marker. Continue to knit to front bottom. Bind off in purl over next row casting on before binding off the 3 buttonhole sts. From RS, pick up same number of sts as cast on at bottom of each sleeve and knit one row. Bind off in purl over next row. In the same way, pick up and knit along bottom of front and back pieces. Fit and sew in sleeves taking care to match body pattern as closely as possible. Note: Top of sleeve will seem to big for the opening. The sts will gather nicely into the top of the armhole creating a crisp shoulder edge. Sew side seams and sleeve seams. Sew on buttons.
